

Talking about photos

1 Look at the photos and answer the questions.

About the photos

- 1** What devices are the people using?
- 2** What is happening in the photos?
- 3** How do the people in the photos feel?

About you

- 1** Do you think it is easy or difficult to learn how to use a new phone or tablet? Why/Why not?
- 2** What do you find most difficult to do on a computer?
- 3** What is the most popular gadget in your class?

Giving an opinion

2 Read the statement and then the steps.

Teenagers don't need smartphones because they only use them for messages, photos and the internet.

Before you give your opinion, think:

- if you agree or disagree.
- of two reasons why you agree or disagree.
- of topic words you could use.
- of a conclusion.

3 Give your opinion about the statement in a maximum of two minutes.
