Name _____ Class _____ Date _____

EXTENSION TEST 9

1 Rewrite the text. Use the present passive.

They grow coffee in more than 50 countries. They pick it by hand or machine and send it to factories where they process it. First, they dry the coffee beans: then they sort them by size and weight. After that, they send the coffee to different countries where they roast and grind it. Finally, people all over the world enjoy it.

_____

_____

_____
