From: Claudia
To: Andy

Hi Andy,

How are you? I miss you a lot!

Did you see the photos that I took? They're on my blog! Last weekend, I went to Niagara Falls! It's in the US and Canada. I went on a boat tour near the bottom of the Falls. There's a tunnel behind the Falls. You can see and hear the water falling – it's the loudest thing that you can imagine! After the tour, everyone was wet!

Later, we went to a park by Lake Ontario. I saw the city of Toronto, which was far away, on the other side of the lake!

We stayed in a hotel that had a special view of the Falls. They have amazing colorful lights at night! But my room, which was on the opposite side of the Falls, didn't have a view of them. That's why I don't have any night photos.

Would you like to come along for our next trip? I'll talk to my parents. I'm sure they'll say yes!

See you soon!
