No, I didn't, Aiden. I had volleyball practice after school.

The video is really good! It's about the new game that's coming out.

Oh, cool. I'll watch it. I'd also like to watch some health and fitness videos. I'd like to be more athletic.

Hmm. I don't know any channels for that. Would you like to go to the gym with me sometime?

You go to the gym? Cool! Yes, I'd love to.

I'm going on Saturday morning. Would you like to come then?

Sure!

Great! You'll need to wear gym clothes and bring your ID.

OK. What are you doing after that? Do you want to watch a series?

I can't. In the afternoon, I'm visiting my aunt and uncle.

Teen Trivia Challenge

★★★★★ Age: 12+

FUN FROM START TO FINISH!

On this game show, teens play against famous celebrities. They answer trivia questions, like "What are the names of Mars' moons?" or "What is the coldest place on Earth?" Players also do fun challenges. For example, they build robots, eat strange foods and do experiments. Pop star Rick Johnson asks the questions and he makes great jokes. *Teen Trivia Challenge* is really fun and I think it shows how learning can be exciting!

I give the show 5 stars.
