5 Complete the dialogue with the correct form of the verbs in brackets.

A I'm afraid I've got some bad news. I didn't pass my exam. I only got 25%.

B What? It can't have been correctly.

A Yes, it was, unfortunately. The problem was that I couldn't finish everything. Lots of other people had the same problem. We think we [1]_____ (should / give) more time in the exam.

B That's not good. No one [2]_____ (should / test) on how quickly they can write.

A I know.

B And I suppose the test [3]_____ (can / not / take) again?

A Maybe. I had a really bad day before the exam. I fell off my bicycle and injured my arm. It really hurt.

B Did you see a doctor? It [4]_____ (might / break) in the accident.

A Well, luckily, I didn't break it. But I didn't have time to see a doctor before my exam. I had to study.

B Well, your arm [5]_____ (should / check) out properly. That's probably a good reason why you couldn't finish the exam on time.

10
